

Khowutzun Freegro Tree Shelters LLP

Employment opportunity

Sewing Machine Operator

Purpose

Khowutzun Freegro Treeshelters are looking to new staff members. We are offering part-time, on-call and temporary term positions to meet production needs as a Sewing Machine Operator. These individuals will strive to maintain quality and standard of product produced. Sewing Machine Operators understand that production involves many processes and as such are ready and willing to work with other people to fasten production speed.

Responsibilities and duties

- Complete workload in a timely manner as directed by supervisor
- Communicate with supervisors and other team members, keeping them informed about production activities and developments
- Perform any additional tasks or projects as required
- Understand and follow safety rules, directions, and company procedures
- Report damages, needed maintenance, and safety/security hazards to supervisor

Skills and Competencies

- Highly skilled in sewing, maintaining good quality and standard of product
- Good physical (eye/hand) coordination
- Meet or exceed consistent daily and weekly output and quality goals
- Demonstrate the ability to work efficiently in a demanding and fast paced environment
- Ability to work well with a small team

Please note that you must be fully available for ongoing on the job training. You must ensure that all equipment and work areas are kept clean, neat and orderly at all times. Other duties may be assigned from time to time.

Khowutzun Freegro Tree Shelters are located at

200 Cowichan Way, Duncan, B.C. V9L3Y2

E-mail: KDC2019b@outlook.com

Deadline: Until all positions are filled

Interested applicants are invited to submit a current resume clearly stating how you meet the qualifications listed in the job posting. We thank all applicants in advance but only those selected will be contacted.
